

# Nevada Senate Republicans

## 2023 Legislative Priorities

### Enhance Education

- Improve Educational Outcomes
- Read By Grade 3
- School Choice
  - Opportunity Scholarships
  - Public Charter Schools

### Strengthen Nevada's Economy

- Open Nevada's Government to be responsive to its citizens and businesses
- Provide workforce training and development through community colleges
- Expand reciprocity opportunities for occupational licensure
- Streamline government by reducing unnecessary and burdensome requirements for workers and businesses

### Improve Access to Healthcare

- Address critical shortages through compacts/reciprocity agreements
- Boost health care workforce pipeline by allowing provisional licensure
- Expand GME programs (residencies) to help retain healthcare workforce in Nevada

### Foster Safe Communities

- Support Law Enforcement
- Alter standards related to fentanyl prosecutions to ensure dangerous dealers are appropriately held accountable
- Increase penalties for those convicted of human trafficking
- Demand justice for victims of crime

### Safeguard Elections

- Change ballot postmark date to the last day of early voting
- Implement Voter Identification requirements
- Create the Office of Inspector General of Elections to be housed at the AG's office

### Preserve Natural Resources

- Support reforms targeted at securing Nevada's water future
- Take aggressive, preventative measures against wildfires
